

The Westside Welcome Club (WWC) provides a unique opportunity for its members to become more acquainted with the community and its residents in an atmosphere of friendliness and goodwill.

WWC provides a variety of activities, programs, and information to help newcomers and long-time residents feel more at home in the El Paso community.

We publish a monthly newsletter that informs members of the many activities, services, and programs available within the organization and throughout the city.

WWC also conducts charitable and service projects throughout the year and donates monies or goods to local nonprofit organizations.

We would like to invite you to attend our next Luncheon on the second Wednesday of the month and the Coffee on the Friday before.
